#NEXTGENERATION

WE'RE LOOKING FOR NEW TALENT TO JOIN OUR TEAM

Are you into technology, skilled with your hands, and curious about the latest innovations? Do you want to be part of a team of dedicated professionals and earn attractive rewards for outstanding performance? Are you looking for an apprenticeship that's grounded, practical, and offers great future prospects?

Weingärtner Maschinenbau is an internationally successful company with strong roots in Upper Austria. We offer training that provides state-of-the-art knowledge in metalworking, machining, CNC technology, materials science, and quality assurance.

METAL TECHNOLOGY

(Main Module: Mechanical Engineering) - DURATION = 3,5 years

This exciting high-tech apprenticeship focuses on:
